

GLEN PAUL MARQUEZ

Software Developer

Rodriguez, Rizal | glenpaulmarquez01@gmail.com | +63 967 753 0094 | linkedin.com/glnplmrqz | github.com/glnplmrqz

OBJECTIVES

I am seeking an entry-level software development position where I can apply my coding skills in Python, Java, and C++ to contribute to real-world projects and further develop my technical expertise. With a strong foundation in software development principles, I am excited to bring my skills and passion to a dynamic team. I am confident that my ability to learn and adapt quickly will enable me to make a positive impact and drive innovation. As a dedicated and detail-oriented individual, I am committed to delivering high-quality solutions and exceeding expectations. I look forward to collaborating with experienced professionals to achieve exceptional results and continue growing as a software developer.
