

# GLEN PAUL MARQUEZ

Software Developer

Rodriguez, Rizal | glenpaulmarquez01@gmail.com | +63 967 753 0994 | linkedin.com/glnplmrqz | github.com/glnplmrqz

## OBJECTIVES

---

I am seeking an entry-level software development position where I can apply my coding skills in Python, Java, C# and C++ to contribute to real-world projects and further develop my technical expertise. With a strong foundation in software development principles, I am excited to bring my skills and passion to a dynamic team. I am confident that my ability to learn and adapt quickly will enable me to make a positive impact and drive innovation. As a dedicated and detail-oriented individual, I am committed to delivering high-quality solutions and exceeding expectations. I look forward to collaborating with experienced professionals to achieve exceptional results and continue growing as a software developer.

## EDUCATION

---

**Bachelor of Technology and Livelihood Education, Major in ICT**

Colegio de Montalban

2023-present

## SKILLS

---

**Programming Languages:** C, C++, C#, Java, JavaScript, Python (Foundational Knowledge)

**Technical Skills:** Problem Solving, debugging, basic web development (HTML/CSS/JavaScript)

**Soft Skills:** Communication, teamwork, critical thinking, adaptability, time management

## PROJECTS

---

- Sha Tea Team Webpage (HTML/CSS/JavaScript)
- Colegio de Montalban Mockup Webpage (HTML/CSS/JavaScript)
- Coffee Shop POS System (Python GUI with Tkinter; designed without database integration)
